## ABOUT COLLEGE

The objective of Taproot Group of Colleges is to develop scientists, engineers, technologists, and business leaders of tomorrow. It is a youthful, energetic, and vibrant educational institution. Taproot Colleges belong to a network of colleges that have already produced several top performers in competitive exams as well as Pre-University board exams. The institution focuses on the holistic, well-balanced development of each student which not only reduces stress on students but at the same time improves efficiency and efficacy in performance.

Many of our students have gone on to enroll in the top engineering schools, including NIT Surathkal, RV College of Engineering, PES University, and others. Best-in-class coaching for the CA foundation is provided to commerce students along with training in Tally. Dynamic industry-relevant programs are introduced to help students build sustainable careers.
